Adopted: February 25, 2011

Released: February 25, 2011

By the Senior Deputy Chief, Policy Division, Media Bureau:

1. On December 8, 2010, Comcast Corporation and Comcast SportsNet California, LLC f/k/a Comcast SportsNet West, Inc., operator of the regional sports network Comcast SportsNet California (“CSN-CA”) (collectively, “Comcast”), filed a Petition for Clarification or, in the Alternative, Modification of Arbitration Condition (“Petition”), requesting that the Commission clarify that final offer arbitration initiated under the *Adelphia Order*¹ is mutually binding or, in the alternative, modify the

condition so that both parties are bound by the results in all pending and future arbitrations.² Comcast states that it filed this Petition after DISH Network L.L.C. (“DISH”) ceased carrying CSN-CA following the issuance of an arbitration award under the *Adelphia Order* arbitration condition and that a clarification was necessary to ensure continued carriage of CSN-CA by DISH.³ On February 4, 2011, Comcast filed a Motion to Withdraw the Petition.⁴ Comcast states that it executed a settlement agreement on February 3, 2011 with DISH resolving the underlying dispute and that DISH has resumed carriage of CSN-CA.⁵ Accordingly, Comcast states that a ruling on the Petition is no longer necessary to ensure carriage of CSN-CA by DISH.⁶ In view of this settlement, we grant Comcast’s Motion to Withdraw.

2. Accordingly, **IT IS ORDERED** that Comcast’s Motion to Withdraw Petition for Clarification or, in the Alternative, Modification of Arbitration Condition **IS GRANTED**.

3. **IT IS FURTHER ORDERED** that, with respect to the arbitration between DISH and Comcast, the Petition for Clarification or, in the Alternative, Modification of Arbitration Condition **IS DISMISSED WITH PREJUDICE**.

4. This action is taken pursuant to authority delegated by Section 0.283 of the Commission’s rules.⁷
